

10 WAYS

THE CHAMBER CHAMPIONS A STRONG COMMUNITY

The Chamber is committed to making Riverside the best place to live, work, learn, and play. Here are 10 ways your investment in the Chamber makes a difference in the Riverside community.

Showcased local job openings to over 3,000 job seekers through the first Riverside Job Fair, bringing 80 organizations in front of qualified candidates.

Facilitated the conversation between UCR and RUSD to create a STEM high school with the goal of educating students to fill future local career openings in STEM.

Generated a \$76 million annual impact to the economy through the Festival of Lights Switch-On Ceremony that draws 75,000+ visitors to downtown.

Invested in the future workforce by giving over 7,000 students one stop access to career and educational opportunities at the Riverside College & Career Fair.

Championed an agreement between local educational institutions and CARB to drive future STEM career opportunities.

Promoted early literacy by recruiting volunteer readers for Read Across America Day at local school districts.

Convened over 500 leaders through the Leadership Riverside program to advocate for the region by giving them the knowledge to address critical issues and opportunities.

Improved quality of life by mobilizing volunteers to collect over 190,000 pounds of litter through Keep Riverside Clean & Beautiful clean-up events.

Supported Riverside Unified School District's CTE Showcase, convening local businesses, students, and teachers to foster partnerships and create networking opportunities.

Backed the Riverside County State of Education Address, which highlighted initiatives to close the opportunity gap, develop internships, and create partnerships.
